Our adopted rules of Parliamentary Procedure, Robert's Rules, provide for a consent agenda listing several items for approval of the Board by a single motion. Most of the items listed under the consent agenda have gone through Board subcommittee review and recommendation. advance to assure an extensive and thorough review.

4. BOARD PRESIDENT REPORT -- MIKE ANDERSON

4.1 Number of Board Members **D VMCS Bylaws.pdf** 15

With the possibility of some Board Members leaving the Board in the near future, the proposal of increasing the number of Board Members, at least temporarily, to ensure a smooth transition was discussed at the last Board Meeting. This is permissible as outlined in the VMCS Board By-Laws, which states the number of Board Members could range between 3-9. There will be an open discussion about the benefits and challenges if a larger Board was established. The Board By-Laws are attached to support the discussion.

It was determined through the Board discussion that we will retain our current Board Member number at five. There was not change, so a vote did not occur.

4.2 Annual Election of Board Members

This process has been delayed after being placed on the Board Agenda in August and September. After the identification of Board Officers with two years in a current position, there will be nominations and elections. For the VMCS Board, the positions are President, Treasurer, and Secretary. In accordance with the By-Laws, there are no term limits. Once nominations have been made within the Board, Board Members will vote on the nominee(s). The remainder of the Board Meeting will be run by the newly elected Board Officers. For 2026-2027, Fareed Farukhi has served two years as the Treasurer and Mike Anderson has served two years as the President.

After a discussion among the Board Members, it was determined to hold off on voting on Board Officers.

Nominees for Board President shall be made and then voted upon by all present Board Members.

Vote was delayed until a future Board Meeting

Nominees for Board Treasurer shall be made and then voted upon by all present Board Members.

Vote was delayed until a future Board Meeting.

5. EXECUTIVE DIRECTOR REPORT -- DEBRA J. SCHROEDER

5.1 Presentation by Kirt Gilliland from JLL

Via Zoom, Kirt Gilliland provided a monthly report regarding the status of our construction project at 330 W. Broadway, Anaheim, CA 92805. While construction is once again moving forward, it is still strategically slow due to the need for additional funding. At full speed, it will take approximately four months to complete the project.

5.2 Possible Need for Completion Bond

The Board was informed that we may need to pursue a bond for up to $3 million with guidance from Will Fossel of Hilltop Securities. The Board feels it is important to maintain as much of our reserves as possible.

5.3 Update by Yvette LaValle Regarding California Community School Partnership Program (CSSPP) Grant

As the Coordinator for our Community School, Yvette LaValle provides monthly updates related to this grant. We are currently seeking various resources to be paid for out of the Community School Grant to address the need for more enrichment/sports on the playground for morning and lunch recesses. We are currently exploring Coach for America and OCDE recommended Kid Healthy.

5.4 California Dashboard Results **VMCS Dashboard Comparison 2026.docx** **VMCS Science Comparison 2026.docx** 27

Debbie Schroeder presented the Dashboard information to the Board. Based on the performance of our scholars in English Language Arts, Mathematics, and Science, VMCS and all schools in California receive ratings on the California Dashboard. VMCS did well in all areas, with the exception of attendance (improved, but with room to grow) and the English Learners' performance on the ELPAC (English Language Proficiency Assessments for California). The attachments provide comparative data with other charter and traditional schools in the area. Our scholars' performance is noteworthy, and organizations have reached out to our school with new opportunities.

The link below provides access to the California Dashboard, which permits a closer view of our school's performance on teh SBAC, CAST, and ELPAC.

Link to California School Dashboard

5.5 Silicon Schools Outreach for Possible Funds

Representatives from Silicon Schools toured VMCS and have requested information regarding the performance of our scholars. This may result in a grant for $100,000 this year, as well as additional funds in future years. We will know by the end of October if we have been selected to receive the funds, with the proposal to refine the appearance of VMCS Performing Arts and Sports Space (PASS) beyond the basic construction. This

multipurpose space is envisioned to be the jewel of the building.

By the Board Meeting, it was confirmed that we received the funds.

5.6 Recognition by Best of 2026 BusinessRate and Educational Results Partnership (ERP) Honor Roll for 2026 vibrant-minds-plaque.png School Banner.png 33

These two forms of recognition were unsolicited, and we are permitted to use their "banners" at our school site. The first recognition is based on Google reviews of our school, and the second recognition is based on our assessment scores on the SBAC and CAST.

5.7 Enrollment Report by Yvette LaValle

Each month, enrollment data is shared with the Board. Our numbers are especially important due to our possible pursuit of a completion bond. The data that will be shared include our current enrollment and our current waiting list.

Yvette LaValle shared the attendance data with the Board.

6. ICON SCHOOL MANAGEMENT REPORT -- ROY KIM I Financial Presentation VMCS - 2026 (10) October - Presentation PP by ICON.pdf 35

Roy Kim from Icon School Management provides monthly reports and responds to budgetary/financial questions from the Board. The Powerpoint is followed, and the Board Members then ask questions to clarify what they have heard.

7. ACTION ITEMS

7.1 Number of Board Members (action dependent upon Board discussion)

Recommendation: It is recommended that the Board increases the number of Board Members by __.

Rationale: After discussing the benefits and challenges of a larger Board, it was determined that a larger Board could be beneficial if a few Board members choose to exit.

Through the Board discussion, it was determined that the number of Board Members will remain at five. Because this did not constitute a change, a vote was not required.

7.2 Acceptance of Silicon Schools Grant if Offered

Recommendation: It is recommended that the Board accepts grant funds from Silicon Schools, with a possible amount of $100,000.

Rationale: There are no specific requirements or extensive reporting for these funds, which is rare. By approving the receipt of these funds ahead of the actual offer, there may be an expedited process for receiving them.

There is about four months of work to complete. There is a possibility the project will be done by the end of January, and then the COP (Certificate of Occupancy) would be issued after the final inspections.

All meetings of the Board shall be held at the principal office of the corporation or at such other place as shall be determined from time to time by resolution of the Board, provided that, during any period that the corporation is operating one or more charter schools within the State of California, all meetings of the Board shall be held at locations meeting the requirements of Section 47604.1(c) of the California Education Code.

Regular Meetings. The Board shall determine the time and place for holding annual or other regular meetings of the Board. At least 72 hours before a regular meeting, the Board or its designee shall post an agenda containing a brief general description of each item of business to be transacted or discussed at the meeting, including items to be discussed in closed session. The agenda shall specify the time and location of the regular meeting and shall be posted in a location that is freely accessible to members of the public; on the corporation's internet web site, if the corporation has one; and at the site of each charter school operated by the corporation. The agenda shall include information regarding how, to whom, and when a request for disability-related modification or accommodation, including auxiliary aids or services, may be made by a person with a disability who requires a modification or accommodation in order to participate in the public meeting. The agenda shall provide an opportunity for members of the public to directly address the Board on any item of interest to the public, before or during the Board's consideration of the item, that is within the authority of the Board. Except as otherwise permitted by the Brown Act, no action or discussion shall be undertaken on any item not appearing on the posted agenda.

Special Meetings. A special meeting may be called at any time by the Board President or by a majority of the members of the Board, by delivering written notice to

each member of the Board and to each local newspaper of general circulation and radio or television station requesting notice in writing, and posting a notice on the corporation's internet web site, if the corporation has one. The notice shall be delivered personally or by any other means and shall be received at least 24 hours before the time of the meeting as specified in the notice. The call and notice shall specify the time and place of the special meeting and the business to be transacted or discussed. No other business shall be considered at these meetings by the Board. The written notice may be dispensed with as to any member of the Board who at or prior to the time the meeting convenes files with the Secretary of the corporation a written waiver of notice. The written notice may also be dispensed with as to any member who is actually present at the meeting at the time it convenes.

The call and notice shall be posted at least 24 hours prior to the special meeting in a location that is freely accessible to members of the public and at the site of each charter school operated by the corporation.

Notwithstanding any other provision of these Bylaws, the Board shall not call a special meeting regarding the salaries, salary schedules, or compensation paid in the form of fringe benefits of (1) a chief executive officer, a deputy chief executive officer, or an assistant chief executive officer of the corporation, (2) the head of a department of the corporation, or (3) any person whose position within the corporation is held by an employment contract between the corporation and that person.

Emergency Meetings. In the event of an "emergency situation" (as such term is defined in Section 54956.5 of the Brown Act) involving matters upon which prompt action is necessary due to the disruption or threatened disruption of public facilities, the Board may hold an emergency meeting without complying with either the 24-hour notice requirement or the 24-hour posting requirement of subsection (d) or both of the notice and posting requirements, provided that the meeting is held in compliance with the provisions of Section 54956.5 of the Brown Act. An emergency meeting may be called by the Board President or any two or more members of the Board.

Quorum. A quorum of the Board for the transaction of business shall be the greater of a majority of the Directors then in office and one-fifth of the authorized Directors.

Executive Compensation. Prior to taking final action, the Board body shall orally report a summary of a recommendation for a final action on the salaries, salary schedules, or compensation paid in the form of fringe benefits of a person if the person is the chief executive officer of the corporation or otherwise a local agency executive, as defined in subdivision (d) of Section 3511.1 of the Government Code.

Transactions of Board. An act or decision done or made by a majority vote of the Directors then in office at a meeting duly held at which a quorum is present is the act of the Board, unless a different number, or the same number after disqualifying one or more Directors from voting, is required by law, by the Articles of Incorporation, or by these Bylaws, including but not limited to those provisions relating to appointment of committees

and indemnification of Directors. The Board shall publicly report any action taken and the vote or abstention on that action of each Director present for the action. The minutes of all meetings shall record the roll call vote of each Director voting on any transaction.

Conduct of Meetings. The Board President or, in his or her absence, the Treasurer, if any, or, in his or her absence, any Director selected by the Directors present, shall preside at meetings of the Board. The Secretary of the corporation or, in the Secretary's absence, any person appointed by the presiding officer, shall act as Secretary and record the minutes of the meeting of the Board.

Teleconferencing. For each meeting of the Board, the corporation shall establish a two-way teleconference location at the school site of each charter school operated by the corporation and each resource center, in compliance with the requirements of Section 47604.1(c) of the Education Code, and may establish such additional teleconference locations as the corporation deems appropriate. The corporation shall post agendas at all teleconference locations and conduct teleconference meetings in a manner that protects the statutory and constitutional rights of the parties or the public appearing before the Board. Each teleconference location shall be identified in the notice and agenda of the meeting or proceeding, and each teleconference location shall be accessible to the public. The agenda shall provide an opportunity for members of the public to address the Board directly at each teleconference location. During the Board meeting, at least a quorum of the members of the Board shall participate in the meeting from locations within the boundaries of the jurisdictions of the charter authorizers that have approved the charter petitions of the charter schools operated by the corporation. Participation in a meeting through use of teleconferencing pursuant to this subsection constitutes presence in person at that meeting as long as all members participating in the meeting are able to hear one another. All votes taken during a teleconferenced meeting shall be by roll call.

Adjournment. The Board may adjourn any regular, adjourned regular, special, or adjourned special meeting to a time and place specified in the order of adjournment. Less than a quorum may so adjourn from time to time. If all members are absent from any regular or adjourned regular meeting, the Secretary may declare the meeting adjourned to a stated time and place and he or she shall cause a written notice of the adjournment to be given in the same manner as provided in subsection (d) for special meetings, unless such notice is waived as provided for special meetings. A copy of the order or notice of adjournment shall be conspicuously posted on or near the door of the place where the regular, adjourned regular, special, or adjourned special meeting was held within 24 hours after the time of the adjournment. When a regular or adjourned regular meeting is adjourned as provided in this section, the resulting adjourned regular meeting is a regular meeting for all purposes. When an order of adjournment of any meeting fails to state the hour at which the adjourned meeting is to be held, it shall be held at the hour specified for regular meetings by resolution.

Continuance. Any hearing being held, or noticed or ordered to be held, by the Board at any meeting may by order or notice of continuance be continued or recontinued to any subsequent meeting of the Board in the same manner and to the same extent set forth in

subsection (j) for the adjournment of meetings; provided, that if the hearing is continued to a time less than 24 hours after the time specified in the order or notice of hearing, a copy of the order or notice of continuance of hearing shall be posted immediately following the meeting at which the order or declaration of continuance was adopted or made.

Section 10. CONFLICTS OF INTEREST AND PUBLIC RECORDS.

No persons serving on the Board may be interested persons. For purposes of this paragraph, an interested person is (a) any person currently being compensated by the corporation for services rendered to it within the previous 12 months, whether as a full-time or part-time employee, independent contractor, or otherwise, and (b) any brother, sister, ancestor, descendant, spouse, brother-in-law, sister-in-law, son-in-law, daughter-in-law, mother-in-law, or father-in-law of such a person. The provisions of this paragraph, however, shall not affect the validity or enforceability of any transaction entered into by the corporation.

The Corporation shall comply with the California Public Records Act (Chapter 3.5 commencing with Section 6250 of Division 7 of Title 1 of the Government Code), Article 4 (commencing with Section 1090 of Chapter 1 of Division 4 of Title 1 of the Government Code), and the Political Reform Act of 1974 (Title 9 commencing with Section 81000) of the Government Code).

ARTICLE IV
COMMITTEES

Section 1. COMMITTEES GENERALLY. The Board may appoint standing or ad hoc committees for any purpose defined by these Bylaws or determined by the Board and as allowed by the California Corporations Code and regulated, when applicable, by the Brown Act. When such committees are composed solely of two (2) or more Directors, the Board may delegate to such committees any of the power and authority of the Board, except the power and authority to (i) approve any action that would have required approval of the members or approval of a majority of all members if the corporation had members, regardless of the fact that the corporation does not have members; (ii) fill vacancies on the Board or in any committee that has the authority of the Board; (iii) fix compensation of the Directors for serving on the Board or on any committee; (iv) amend or repeal these Bylaws or adopt new Bylaws; (v) amend or repeal any resolution of the Board that by its express terms is not so amendable or repealable; (vi) appoint committees of the Board or the members thereof; (vii) expend corporate funds to support a nominee or applicant for Director; or approve of any self-dealing transaction except as provided by law. Committees that are composed solely of Directors and to which the powers of the Board are delegated shall at all times be subject to the control of the Board. Nothing in this Section 1 authorizes the Board or the corporation to take any action that is prohibited by applicable laws or policies, including applicable conflicts of interest laws or policies, or by other provisions of these Bylaws.

Section 2. MEETINGS OF COMMITTEES. All meetings of committees other than a meeting of an ad hoc committee, as defined in the Brown Act, shall be called, noticed, and held in compliance with the rules and regulations for meetings of the Board set forth in Article III hereof applied as if the committees were acting as the Board. Subject to the foregoing, the Board or, if the Board does not act, the committees shall establish rules and regulations for meetings of the committees, and the committees shall meet on such dates and at such times as are deemed necessary by the Board or, if the Board does not act, by the committees. Committees shall keep regular minutes of proceedings and report the same to the Board from time to time as the Board may require.

Section 3. STANDING AND AD HOC COMMITTEES. The standing committees of the Board shall consist of an Audit Committee and such other standing committees as the Board may authorize from time to time. Ad hoc committees may also be authorized by action of the Board. Any committee composed of persons one or more of whom are not Directors may act solely in an advisory capacity to the Board.

Section 4. AUDIT COMMITTEE. The Audit Committee may include persons who are not members of the Board, but the member or members of the Audit Committee shall not include any members of the staff of the corporation, including the President and the Treasurer. If the corporation has a Finance Committee, members of the Finance Committee shall constitute less than one-half of the Audit Committee, and the chair of the Audit Committee may not be a member of the Finance Committee. Members of the Audit Committee shall not receive any compensation from the corporation and shall not have a material financial interest in any entity doing business with the corporation. Subject to the supervision of the Board, the Audit Committee shall be responsible for recommending to the Board the retention and termination of the independent auditor and may negotiate the independent auditor's compensation, on behalf of the Board. The Audit Committee shall confer with the auditor to satisfy its members that the financial affairs of the corporation are in order, shall review and determine whether to accept the audit, shall assure that any nonaudit services performed by the auditing firm conform with applicable standards for auditor independence, and shall approve performance of nonaudit services by the auditing firm.

Section 5. ADVISORY COMMITTEES. Any committee composed of persons one or more of whom are not Directors may act solely in an advisory capacity to the Board.

Section 6. APPOINTMENT. The members of a committee shall be appointed by a majority vote of the Directors then in office.

Section 7. TERM OF OFFICE. Each member of a standing committee shall serve until the next annual meeting of the Board and until his or her successor is appointed, or until such committee is sooner terminated, or until he or she is removed, resigns, or otherwise ceases to qualify as a member of the committee.

Section 8. VACANCIES. Vacancies on any committee may be filled for the unexpired portion of the term in accordance with Section 6 of this Article IV.

Section 9. REMOVAL OF MEMBERS. The Board may remove, with or without cause, a member or members of any committee.

Section 10. QUORUM AND VOTING. A majority of the members of a committee shall constitute a quorum and any transaction of a committee shall require a majority vote of the members of the committee at a meeting at which a quorum is present.

ARTICLE V
OFFICERS

Section 1. NUMBER AND TITLE OF OFFICERS. The officers of the corporation shall be a President, a Secretary, a Chief Financial Officer (the "Treasurer"), and such other officers, with such titles and duties as shall be determined by the Board. Any number of offices may be held by the same person, except that no person serving as the Secretary or the Treasurer may serve concurrently as the President.

Section 2. ELECTION OF OFFICERS. The officers of the corporation shall be chosen by and serve at the pleasure of the Board, subject to the rights, if any, of an officer under any contract of employment. Officers need not be members of the Board except that the President must be a Director. Each officer shall hold office until removed or replaced. Officers shall be eligible for re-election without limitation on the number of terms they may serve.

Section 3. SUBORDINATE OFFICERS; ASSISTANTS. The Board may appoint such other officers as the business of the corporation may require, each of whom shall hold office for such period, have such authority, and perform such duties as are provided in these Bylaws or as the Board may from time to time determine. The Board may authorize one or more officers of the corporation to appoint subordinate officers of the corporation.

Section 4. REMOVAL AND RESIGNATION OF OFFICERS. Any officer may be removed at any time, either with or without cause, by the vote of the Board. Any officer may resign (without prejudice to the rights, if any, of the corporation under any contract to which the officer is a party) at any time by giving written notice to the corporation. Any resignation shall take effect on the date of the receipt of such notice or at any later time specified therein and, unless otherwise specified therein, the acceptance of any resignation shall not be necessary to make it effective.

Section 5. VACANCIES IN OFFICES. A vacancy in any office because of death, resignation, removal, disqualification, or any other cause shall be filled in the manner prescribed in these Bylaws for election or appointment to that office.

Section 6. PRESIDENT. The President shall be selected from the Directors and shall, if present, preside at all meetings of the Board. The President shall exercise and perform such other powers and duties as may from time to time be assigned to him or her

by the Board or prescribed by the Bylaws. Subject to the control of the Board, the President shall be the chief executive officer and general manager of the corporation and shall have general supervision, direction, and control of the business and officers of the corporation. He or she shall have the general power and duties of management usually vested in the office of chief executive officer of a corporation and shall have such other powers or duties as may be prescribed by the Board or these Bylaws. Subject to such limitations as may be imposed by the Board, any powers or duties vested in the President may be delegated by him or her to such subordinates as he or she may choose.

Section 7. VICE PRESIDENT. The Board may appoint a Vice-President. The Vice President, if any, shall be selected from the Directors and shall perform the duties and exercise the authority of the President in the event of the President's absence. The Vice President, if any, shall also perform such other duties as are assigned by the Board.

Section 8. SECRETARY. The Secretary shall keep or cause to be kept at the principal executive office or at such other place as the Board may direct, a book of minutes of all meetings and actions of the Board and committees of Directors, with the time and place of holding, whether regular or special, and, if special, how authorized, the notice given, the names of those present at Directors' meetings or committee meetings and the proceedings thereof.

The Secretary shall give, or cause to be given, notice of all meetings of the Board required by these Bylaws or by law to be given, he or she shall keep the seal of the corporation, if the corporation shall adopt one, in safe custody, and he or she shall have such other powers and perform such other duties as may be prescribed by the Board or by these Bylaws.

Section 9. TREASURER. The Treasurer shall keep and maintain, or cause to be kept and maintained, adequate and correct books and records of accounts of the properties and business transactions of the corporation, including accounts of its assets, liabilities, receipts, or disbursements. The books of account shall at all reasonable times be open to inspection by any Director.

The Treasurer shall deposit or cause to be deposited all monies and other valuables in the name and to the credit of the corporation with such depositaries as may be designated by the Board and shall have the authority to execute and affix the endorsement of the corporation upon any negotiable instrument for the purpose of making any such deposit. He or she shall render to the Board, whenever it requests it, an account of all of his or her transactions as Treasurer and of the financial condition of the corporation and shall have such other powers and perform such other duties as may be prescribed by the Board or these Bylaws.

Section 10. APPROVAL OF COMPENSATION. No Board member shall receive compensation for services from the Corporation, except that the Corporation may reimburse Board members for reasonable expenses necessary for the performance of their duties.

The Board may review and approve the compensation, including benefits, of all officers of the corporation and other persons to ensure that no taxes are imposed under Section 4958 of the Internal Revenue Code of 1986, as amended.

ARTICLE VI
INDEMNIFICATION OF DIRECTORS, OFFICERS, EMPLOYEES, AND OTHER AGENTS

Section 1. INDEMNIFICATION. The corporation shall, to the maximum extent permitted by the California Nonprofit Corporation Law, indemnify each of its agents against expenses, judgments, fines, settlements, and other amounts actually and reasonably incurred in connection with any proceeding arising by reason of the fact that any such person is or was an agent of the corporation. For purposes of this Article VI, an "agent" of the corporation means any person who is or was a Director, officer, or employee of the corporation, or any such person who is or was serving at the request of the corporation as a director, trustee, officer, employee, or agent of another corporation, partnership, joint venture, trust, or other enterprise.

Section 2. INSURANCE. The Board may adopt a resolution authorizing the purchase and maintenance of insurance on behalf of any agent of the corporation against any liability asserted against or incurred by the agent in such capacity or arising out of the agent's status as such, whether or not this corporation would have the power to indemnify the agent against that liability under the provisions of this Article VI.

ARTICLE VII
CORPORATE RECORDS AND REPORTS

Section 1. CORPORATE RECORDS. The corporation shall keep adequate and correct books and records of account and minutes of the proceedings of its Board and committees of the Board. The minutes shall be kept in written form. Other books and records shall be kept in either written form or in any other form capable of being converted into written form. If required by Section 47604.1 of the California Education Code, the corporation shall audio record, video record, or both, all the meetings of the Board and post the recordings on the internet website of each charter school operated by the corporation.

Section 2. INSPECTION. Each Director shall have the absolute right to inspect at any reasonable time all books, records, and documents of every kind and the physical properties of the corporation and each of its subsidiary corporations. Any inspection by a Director may be made in person or by an agent or attorney and the right of inspection includes the right to copy and makes extracts of documents.

Section 3. ANNUAL REPORT. The Board shall cause an annual report to be sent to each Director not later than one hundred twenty (120) days after the close of the corporation's fiscal year. That report shall contain in appropriate detail the following:

- The assets and liabilities, including the trust funds, of the corporation as of the end of the fiscal year;
- The principal changes in assets and liabilities, including trust funds, during the fiscal year;
- The revenue or receipts of the corporation, both unrestricted and restricted to particular purposes, for the fiscal year;
- The expenses or disbursements of the corporation for both general and restricted purposes, during the fiscal year; and
- Any information required by Section 4 of this Article VII.

The annual report shall be accompanied by any report thereon of independent accountants or, if there is no such report, by the certificate of an authorized officer of the corporation that such statements were prepared without audit from the books and records of the corporation.

This requirement of an annual report shall not apply if the corporation receives less than $25,000 in gross revenues or receipts during the fiscal year; provided, however, that a report with the information required above for inclusion in an annual report must be furnished annually to all Directors.

Section 4. ANNUAL STATEMENT OF CERTAIN TRANSACTIONS AND INDEMNIFICATION. The corporation shall furnish annually to each Director a statement of any transaction or indemnification described in California Corporations Code Section 6322, if such transaction or indemnification took place. Such annual statement shall be affixed to and sent with the annual report described in Section 3 of this Article VII.

ARTICLE VIII
GENERAL CORPORATE MATTERS

Section 1. CHECKS, DRAFTS, EVIDENCES OF INDEBTEDNESS. All checks, drafts, or other orders for payment of money or notes or other evidence of indebtedness shall be issued or endorsed by such person or persons and in such manner as shall be determined from time to time by resolution of the Board.

Section 2. CORPORATE CONTRACTS, ETC., HOW EXECUTED. The Board, except as otherwise provided in these Bylaws, may authorize any officer or officers or agent or agents in the name of and on behalf of the corporation, and such authority may be general or confined to specific instances, and, unless so authorized or ratified by the Board or within the agency power of an officer, no officer, agent, or employee shall have any power or authority to bind the corporation by any contract or engagement or to pledge its credit or to render it liable for any purpose or for any amount.

ARTICLE IX
AMENDMENTS

Section 1. AMENDMENT. These Bylaws may be altered, amended, or repealed, and new Bylaws may be adopted, by the Board, provided that no amendment of these Bylaws may extend the term of a Director beyond that for which the Director was elected. During any period that the corporation is operating a charter school within the State of California pursuant to a charter petition approved by a charter authority, these Bylaws may not be amended in a manner that materially alters the charter, without the consent of the charter authority, if such consent is required under the charter.

Notes and sources

* Magnolia Science Academy Santa Ana and Epic California Academy report science results across tested grades, including secondary grades. Epic is an independent study charter with an Anaheim address. Most other schools report grade 5 science results.

VMCS has 82.6 Science Points and improved by 18.1 points. It has no color rating because its indicator count is 27, below the 30-scholar minimum. A color normally requires at least 30 scholars in both the current and prior year. No color does not mean low achievement.

Magnolia Science Academy Orange County has an indicator count of 9 and no published science score or color rating. An em dash means unavailable or not publicly reported, not zero. Indicator counts are Dashboard denominators and may include participation adjustments, so they are not necessarily the number tested.

Budget Updates:

- Feds raised interest rates one-quarter percentage point (0.25%) on 9/16, first increase since July 2023.
- **AB126** requires greater oversight responsibilities by the authorizers. 3 of 5 previously required responsibilities have been revised (ensure → verify, charter school → school site), and expect greater oversight in the areas of audit, material concerns, audits, enrollment, attendance, and credit/debit card transactions. Beginning in July 1, 2027, they are also required to attend at least one board meeting, visit each approved site/meeting space/satellite facility upon opening and at least every two years, refer any credible allegations of fraud, misappropriation of funds, or other illegal fiscal practices to the county superintendent of schools.
