A School Families Love!

ALUMNI VOLUNTEER AGREEMENT FORM

Alumni Volunteers for Vibrant Minds Charter School shall:

- You may not volunteer on any regular school day that your Jr. High or High School is in session.
- Refrain from using your cell phone.
- You may not leave campus, even with parent permission.
- If you leave campus, that will be the end of your service for the day.
- Dress appropriately for a school environment; avoiding short hemlines, bare midriffs, low-cut tops, etc.
- Please bring lunch. The school will be unable to provide lunch for you.
- Sign in/out with our office.
- Wear a volunteer name tag at all times when volunteering.
- This is not a "hang-out" day. If you are volunteering, you will need to be of service in a class for your entire day. Providing quality service is the expectation, not just chatting with scholars and fellow alumni.
- Stay with the assigned teacher/staff member for the duration of your service.
- Be in close proximity and within sight of a staff member when working with scholars.
- Conduct yourself in an upstanding way in alignment of the VMCS Code of Conduct.
- All disagreements will be conducted in a kind, respectful manner.
- All language will be respectful in tone and appropriate for scholars' ears.
- All food distributed will be at the discretion of the teacher/leader. Due to the significant number of scholars with allergies and diabetic challenges, we ask that you refrain from providing any snacks to scholars.
- All behavioral issues should be brought to the attention of the teacher/leader.

I understand and agree to the expectations that VMCS requests of all volunteers. I have read, understand, and agree to the requirements and policies outlined in the Volunteer Agreement Form. I acknowledge that a volunteer that conducts him/herself in a way that is counter to the VMCS behavioral expectations may be requested to no longer participate in volunteer opportunities.
